	<p>Councillor Matters</p> <p><u>Councillor Hall</u></p> <p>David Wilkinson, Castle and Coast Housing Association are preparing to undertake preliminary work on the housing at Far End.</p> <p>Councillor Hall will check the Amenities Fund account to ensure it was deposited. It was suggested that £1,000 be put in a Business Regeneration Fund to help businesses get ready for visitors and that the balance of £4,000 would be allocated to the community using the mechanism used for Lakeland 100 grant. This was agreed in principle, but the allocation is to be discussed at an Amenities Fund meeting.</p> <p><u>Councillor Troughton</u></p> <p>A water leak on the old railway line has been reported.</p> <p>Food vouchers are still needed as there is unmet need in the village. This is something that may increase over time with a rise in infection rates, or a slow recovery of the local economy. However, distribution of vouchers remains a problem. Peter Blackburn, Headteacher at John Ruskin will help to identify people who may benefit from food vouchers.</p> <p><u>Councillor Carroll</u></p> <p>It is important that the website is updated, especially in relation to planning matters upon which people might want to comment. The clerk is to contact Summit Computers to address any access issues and post hard copies of the notification on the notice boards. Councillor Troughton will highlight planning issues on social media.</p> <p><u>Councillor Coward</u></p> <p>Congratulations to Councillor Carroll for his very positive message posted on Facebook regarding the impact of fell walking during the lockdown on Mountain Rescue, in the space of around a week this has achieved 1.6 million views.</p> <p>The whole council agreed that Coniston and its residents had been well served by Cumbria Constabulary throughout the duration of the Covid-19 pandemic.</p>
